The Visolvia white-paper "[Artificial Intelligence for genuine performance](http://www.visolvia.com/presentations.html)" downloaded 3.000+ times in the last month. (www.visolvia.com/presentations.html)

News (www.visolvia.com/news.html)

- Visolvia to cooperate with the Middle East digital TV network NobleMedia.TV
- Introduction of technologies within Neural marketing (www.algoBUZZ.com).
- Visolvia in cooperation with the algo platform supplier Treetop Capital.
- New graphical design profile by T.V.T swissconsult gmbh (www.tvtswiss.com)

The slow real-time trading signal demo, end of August follow-up:

On July 13, when the system decided to go long in the Stockholm Index OMXS, it had stayed short constantly for nearly two years. As described in the white paper, to demonstrate some scalability, rebalancing was carried out during a full week.

Market	1 year	Average ¹	Real-time positions & data
Stockholm	+0.7%	+14.1%	www.visolvia.com/signal/omxs/omxs.htm
Frankfurt	-0.4%	+13.8%	www.visolvia.com/signal/dax/dax.htm
Energy	+92.5%	+23.5%	www.visolvia.com/signal/energy/energy.htm
Bombay	+12.0%	+15.8%	www.visolvia.com/signal/india/india.htm
G10 FX	+2.4%	+2.5%	www.visolvia.com/signal/fx/fx.htm

¹Annual return (12 years) net of trading costs and typical fund fees.
